About Cogentix Medical

Cogentix Medical, Inc., headquartered in Minnetonka, Minnesota, with operations in New York, Massachusetts, The Netherlands and the United Kingdom, is a global medical device company. We design, develop, manufacture and market products for flexible endoscopy with our unique product lines featuring a streamlined visualization system and proprietary sterile disposable microbial barrier, known as EndoSheath technology, providing users with efficient and cost effective endoscope turnover while enhancing patient safety. We also commercialize the Urgent® PC Neuromodulation System, an FDA-cleared device that delivers percutaneous tibial nerve stimulation (PTNS) for the office-based treatment of overactive bladder (OAB). OAB is a chronic condition that affects approximately 42 million U.S. adults. The symptoms include urinary urgency, frequency and urge incontinence. We also offer Macroplastique®, an injectable urethral bulking agent for the treatment of adult female stress urinary incontinence primarily due to intrinsic sphincter deficiency.
