Those interested in joining the webcast may access it through Uroplasty's website at [www.uroplasty.com](http://www.uroplasty.com). An archived replay of the presentation will be available for 90 days following the event.

### **About Uroplasty**

Uroplasty, Inc., headquartered in Minnetonka, Minnesota, with wholly-owned subsidiaries in The Netherlands and the United Kingdom, is a global medical device company that develops, manufactures and markets innovative proprietary products for the treatment of voiding dysfunctions. Uroplasty's focus is the continued commercialization of its Urgent® PC Neuromodulation System, which Uroplasty believes is the only commercially available, FDA-cleared device that delivers percutaneous tibial nerve stimulation (PTNS) for the office-based treatment of overactive bladder (OAB). OAB is a chronic condition that affects approximately 42 million U.S. adults. The symptoms include urinary urgency, frequency and urge incontinence. Uroplasty also offers Macroplastique®, an injectable urethral bulking agent for the treatment of adult female stress urinary incontinence primarily due to intrinsic sphincter deficiency. For more information on Uroplasty and its products, please visit Uroplasty, Inc. at [www.uroplasty.com](http://www.uroplasty.com).
